到達目標及びテーマ	1. Students will strengthen their reading and listening endurance in English, by reading a book in simple English (1000 headwords), viewing a movie, and listening to short lectures. 2. Students will gain a broad knowledge of the Americas and the USA from 1400s to present. 3. Students will learn by organising facts (on their own and in groups) into projects.				
授業の概略	In this course, we will use English to learn about the Americas and about the United States of America (USA). You will gain a broad knowledge of this topic from the time of the first Americans to the present, and a more detailed knowledge of two periods – the French and English colonisation of North America, and the revolution that gave birth to the USA. The main materials are the presentation slides (by the instructor), a textbook (Revolution), a movie (Black Robe), and many poems and songs (from traditional to hiphop). The book is written for learners at an intermediate level of English. At first, the materials may seem

事前学修	2時間	You must read the chapter in the textbook Revolution before class. This is for two reasons: 1) the teacher's lecture will not repeat the ideas of the book, but relate the ideas to issues in America today; 2) there will be a quiz.			
事後学修	2時間	Organise the your class materials. Have one notebook/binder for this class. Keep your Task worksheets and Lecture notes because you will use them each week in quizzes and in the assessment tasks. Keep your quizzes because the questions on the mid-semester test and final tests will be similar to, or the same as, questions on the quizzes.			
成績評価方法	割合	評価基準等
